Print-smart 6 mil Low Tack Window film is a one-step adhesive solution for window graphics.

6 mil Low Tack Window Film delivers front mounting and white blocking back options

The bright white finish provides 100% opacity and can be applied to dark surfaces.

Quick-dry polyester film has dimensionally stable, lay-flat construction that can stand up to lighting heat without shrinking or warping. Easy to install and remove without any residue left behind

The above information is based on research believed to be reliable, but does not constitute a warranty. All material should be tested by the purchaser to determine suitability of the product for their purposes.
